### **Ubs Accounting System 9.1 12**

A: Really? It's the first google hit. UBisoft. After an Internet search I found it at ebay. It's the biggest seller on there. \$\$\$ Just as a side note, I'm writing on my phone so the links are quite limited but ubs is the only company that will let you download both desktop and mobile on one of the latest versions. And the price there is very affordable. There you go. Best of luck! Link to desktop: Q: Change background color in toggle Can anyone tell me why my background color on my toggle does not change to the color I specify? I've tried

experimenting with a couple of combinations but it does not seem to work.

```
$(function () { $('#menu').on('click', function () { $('#hidden1').toggle(); }); });  
#test1 { color: red; } #hidden1 { display: none; } Button A: you need to add data-  
target="#hidden1" and data-toggle="toggle" $(function() {  
$('#menu').on('click', function() { $('#hidden1').toggle(); }); }); #test1 { color:  
red; } #hidden1 { display: none; } 3da54e8ca3
